

SERVICE PROVIDER BULLETIN

November 2020

To Our Service Providers:

It is appropriate during this holiday season that we at Teledyne Technologies Incorporated recognize our third-party sales and supply channels and other service providers who make it possible for us to manufacture our products and fulfill our customers' requirements. Thank you for your support during this year as we faced the challenges of a global pandemic. We want to extend our warmest wishes for a joyous and healthy holiday season to you, your employees and their families. We remain hopeful that the New Year will be a good one.

Please note that Teledyne has a continuing policy that prohibits Teledyne employees and their families from accepting gifts or gratuities from our service providers or providing gifts or gratuities to our customers or other business partners, except in limited circumstances. It is in both our interests to avoid even the appearance of any form of favoritism or conflict of interest. We are certain that you share our desire to act in a manner consistent with the law, our policies and our commitment to ethical business practices.

We would also like to take this opportunity to remind you of our Ethics Code of Conduct for Service Providers, which all Teledyne third party sales and supply channels and other service providers are expected to follow. The Code can be found online at: <http://www.teledyne.com/about-us/corporate-responsibility>. As a reminder, one requirement within the Code is that no Teledyne service provider shall engage in or facilitate forced labor, child labor, slavery or human trafficking. We also expect our service providers to provide a workplace free from harassment and discrimination, as well as a safe and sanitary workplace.

Again, we are thankful for the support from our service providers during this global pandemic. We must continue to coordinate our efforts to keep trade open and ensure the integrity of the supply and distribution of Teledyne products, all while maintaining the health and safety of our respective employees. We recognize that in difficult times there can be added pressures and want to emphasize that we must not compromise either the quality of our products or our ethical values. We expect our service providers to manage through this crisis successfully and with integrity. We will continue to engage with our service providers to ensure that we are doing business the right way.

Should you have questions regarding Teledyne's ethical business conduct requirements, you may contact our Senior Vice President, General Counsel, Chief Compliance Officer and Secretary, Melanie S. Cibik, at (805) 373-4605 or melanie.cibik@teledyne.com. We also maintain a Corporate Ethics Helpline, at (877) 666-6968 or www.teledyne.ethicspoint.com.

Best wishes for a happy holiday season and a safe, healthy and prosperous 2021.
